

Petersfield RFC is a members club: run for the members by the members. All the work of the club – coaching, refereeing, managing teams, training, playing and administration of the club is done by volunteers. The revenues of the club are exclusively used to fund the playing of rugby by the club members. We rely on the support of the rugby playing and watching community in Petersfield. Last year we had 493 members. You are on the club e-mail list because you have given the club your e-mail address either as a parent or a player. We encourage you to become a member of PRFC.

We are today sending out membership forms for the 2010/2011 season which officially opens for competition on September 1st 2010. Pre-season training for the senior club starts tonight and several of the youth teams will also have pre-season training in July and August. The mini youth workshop is in Mid August.

Membership rates are unchanged from last season.
